CARGO MOVE PRO

Professional aluminium platform designed for maintenance, cleaning and access at height. Features wide steps with a non-slip surface, a spacious work platform and perimeter guardrails, giving the operator greater safety and comfort. The compact structure includes transport wheels, making it easy to move the equipment between work areas. Access to the platform is protected by a safety chain, and the anti-opening system prevents unintentional opening during transport and storage.

TECHNICAL SPECIFICATIONS

- Number of steps: 2 to 5;
- Platform height: 60 cm;
- Platform depth: 60 cm;
- Overall dimensions when opened (L × W × H): 183 × 88× 166 cm;
- Steps and platform with non-slip surface;
- Perimeter guardrails with safety chain;
- Integrated wheels for easier transport and positioning;
- User and maintenance manual;
- Identification label.
